The San Francisco Creamery Company is a tribute to the olde time ice cream fountains found in many neighborhood dime stores and pharmacies from the 1930's and 1940's. Since our opening in 2004, we have been featured on many national and international shows such as the Travel Channel's Man Vs. Food, America's 101 Tastiest Places to Chow Down, and Best Places to Pig Out. In past years, we've also been voted Best Ice Cream in the East Bay by Walnut Creek Magazine and Diablo Magazine.

We make all of our own ice cream, hot fudge, chocolate syrup, caramel and butterscotch, the olde fashioned way, right here on the premises. We bake all of our own cookies and brownies and we use only the finest Guittard chocolates and cocoa in all of our toppings and ice creams.

We hope you will be pleased.
